

PPE Use

Review your department SOG on the proper use of personal protective equipment (PPE).

- In the incidents pictured here, what levels of PPE should be utilized?
- Other than PPE, what tactical errors are being committed by the members who are operating here?
- Describe better alternatives to the actions being taken.

Review PPE requirements for:

- Structural Fire Response
- Wildland Fire Response
- Vehicle Accident
- EMS Reponse
- HazMat Incidents
- Service Calls
- Vehicle Fires
